

Introduction to I.T. in Efford

If computers are a mystery to you - we'll cover the basics!

We are offering a FREE basic course designed to get you started using a personal computer. It will cover the basic use of computers, word processing and get you online. Whatever your level, it will go at your pace.

Join us for a FREE 5 week course.

It starts on Monday 3rd November to 1st December.

Every Monday morning 10am to 12 noon at
D.E.L.L. Gateway site, Blandford Road.
